FRIENDS
OF THE
woodburn
PUBLIC LIBRARY

**A Nonprofit
Community
Organization Serving
the Library and the
Greater Community of
Woodburn**

Our Purpose:

The Friends of the Woodburn Public Library exists to focus attention on the Library and stimulate use of its collections and services through fundraising and financial support of Library programs, such as the Summer Reading Program.

The Friends also uses its nonprofit status to apply for grant money and pass it along to the Library.

If you value libraries and are interested in giving back to the community, we invite you to consider becoming a Friend of the Library. The opportunities are endless. Here are some ways you could help:

- Develop and deliver a program for our adult patrons.
- Read to a child.
- Work as a team to keep the Library neat and organized.
- Shelf books or pull books requested by other libraries.

Friends' Book Shop

The major source of revenue for the Friends is the Book Shop located inside the Library, adjacent to the Circulation desk. The shop sells books donated by members of the community, along with discards from the Library's collection.

Friends members sort through donated books, help to process materials removed from the Library's collection, and merchandize the shop.

Annual Membership Dues:

Individual	\$20
Family	\$30
Civic Group	\$50
Individual Life	\$200 paid once

Attend a Meeting.

Quarterly meetings are held the second Tuesday of January, April, July and October at the Library. All are welcome to attend, although only Friends may vote.

Consider the Future.

The Friends of the Woodburn Public Library is a 501(c)(3) organization. We urge you to consider giving a tax deductible donation when you do your estate planning.
