Application Packet for a Type I Design Review

General Information:

The purpose of this review is to ensure all residential and non-residential buildings comply with the standards found in the Woodburn Development Ordinance (WDO). Type I Design Review is required for the following:

1. Residential Buildings
 - a. Single-family dwellings, manufactured dwellings, or duplexes in the RS, R1S and RM zones, except where subject to an architectural design review process approved through a Planned Unit Development (PUD).
 - b. Exterior alterations to single family, manufactured dwellings, duplexes and multi-family dwellings in the RS, R1S and RM zones, except where subject to an architectural design review process approved through a PUD; or when the subject dwelling has a prior Type I design review approval and the alteration is subject to building permit approval.
 - c. Multi-family dwellings that comply with all standards found in the Land Use and Specified Use, and Development Guidelines and Standards (Sections 2 and 3) of the WDO.
2. Non-Residential Buildings
 - a. New buildings 500 square feet or less in commercial zones or 1,000 square feet or less in industrial zones.
 - b. Sites with existing buildings, expansions or new buildings that increase lot coverage by 10% or less.
 - c. Change in use that increases required parking by 10% or less.
 - d. Façade changes or structural changes requiring a building permit.
 - e. Establishment of a use in a building vacant for 6 months or more.

Type I Design Reviews with accompanying building permit applications are processed concurrently. The design review portion requires submittal of this application, the application’s submittal document requirements, and separate fee for the review in addition to any building permit submittal requirements.

Fee: \$2,177

Required Submittals:

- A pre-application conference is required prior to design review application submittal.
- Uniform Application – one completed copy. In the case of multiple applications, only one Uniform Application form need be submitted.

Continued on next page.

- Site plan to scale showing existing and/or proposed buildings and uses relative to property lines, access/driveways, parking and loading areas, landscaped areas and any impacted natural features such as floodplains, wetlands, or trees greater than 24" in diameter. Two paper copies and one digital PDF copy (letter, ledger, or 24"x36" plan sizes are acceptable).
- Utility plan to scale showing existing or proposed water, sanitary sewer, storm and/or hydrant locations. Two paper copies and one digital PDF copy (letter, ledger, or 24"x36" plan sizes are acceptable).
- Architectural drawings to scale, if needed for the proposal. Examples: elevations, isometric or perspective views, or color renderings. Two paper copies and one digital PDF copy (letter, ledger, or 24"x36" plan sizes are acceptable).
- Photometric plan if additions or changes to parking and loading or building entrance lighting are proposed. Two paper copies and one digital PDF copy (letter, ledger, or 24"x36" plan sizes are acceptable).
- Landscape plan if additions or changes to landscaping are proposed. Two paper copies and one digital PDF copy (letter, ledger, or 24"x36" plan sizes are acceptable).
