Summary

I received two revised copies of the [ANX 22-02](#) civil engineering plan set submitted May 30.

In my last memo of May 18, on behalf of Planning Division I'd already signed off on Public Works Department approval of civil engineering plans.

Next Steps

When the Public Works Department issues an approved civil engineering plan set, please forward an Adobe PDF copy to <colin.cortes@ci.woodburn.or.us> or, if an attachment would be too large, copy to the shared network drive (opening the hyperlink via the Windows Explorer file manager, not a web browser):
