Dear Mr. Snegirev:

Staff sends this courtesy letter to inform you as applicant that without re-submittal soon, the incomplete application package will expire or become void August 14, 2023. This is because the application date was February 14, 2023, and Oregon Revised Statutes (ORS) [227.178\(4\)](#) states:

"On the 181st day after first being submitted, the application is void if the applicant has been notified of the missing information as required under subsection (2) of this section and has not submitted ... all of the missing information ... [or] some of the missing information."

There's been no re-submittal in response to the incompleteness letter of March 16, 2023.

Please contact me at (503) 980-2485 or colin.cortes@ci.woodburn.or.us with questions.

Sincerely,

A handwritten signature in blue ink that reads "Colin Cortes". The signature is written in a cursive, flowing style.
