

**Name:** *Kaikeya Ortiz*

**Grade & School:** 11<sup>th</sup> grade-Woodburn High School  
(Academy Of Art Science and Technology)

**Extracurricular activities:**

- I work in the fields during the summer
- Am in choir class
- I help at church in Molalla
- I love to play sports
- I love music & sing
- I love to help other people

**Future goals:**

My future goal is to be able to graduate from Woodburn High School and be able to attend college and graduate as a health professional and have a second career as a musician or as a dancer.

**Why are you interested in being on the Fiesta Court?**

Am interested in being on the Fiesta Court because it could help me strengthen my leadership skill and also to be more interactive in the community and a great opportunity to do something new.

**What do you hope to learn from the experience?**

**What is the importance of giving back to the community through volunteering/community service?**

I hope to learn new skills and how to improve them and get to meet new people. I feel that it's important because they do a lot for us, such as give jobs to new generations, and they help each other in some ways that they can. We are all different and unique thanks to this community we have a lot of culture that many other people learn from. I feel that something that I can do for the community is volunteering and helping them in some way that I could give them back for everything that they do each day.

**What do you like most about Fiesta Mexicana?**

Something that I like the most is that they keep the Mexican culture up so it won't disappear and it's also a place where many people get to hang together and remember those important dates and how we are all unique and combined into one culture that we are all the same. There's also a place for youth people to be together and help the community in some way.
