The reason I'm interested in being on the Fiesta Court is because I love how the Fiesta welcomes and celebrates all of our different traditions and also how we receive opportunities to be able to help around Woodburn.

What do you hope to learn from the experience?

What is the importance of giving back to the community through volunteering/community service?

What I hope to learn from this experience is all the different cultures and traditions from Woodburn and also to learn about the true meaning and history of the Fiesta Mexicana. For me the importance of volunteering/community service is that it makes us more united and as a big family especially during the pandemic.

What I like about the Fiesta Mexicana is that our community and surrounding communities come to celebrate our Mexican culture and our food.
