### 4. BUSINESS FROM AUDIENCE

None.

### 5. OLD BUSINESS

#### Annual Workshop recap

The Board discussed the project ranking that Jim asked each member to complete following January's annual workshop.

#### Legion Park Playground Project

Jim discussed the Local Government Grant application he is preparing for the Legion Park Playground Project. He presented the Board with the initial concept/ rendering, but added that he would still like to include a slide and hollow log play feature before the application is submitted. The grant program will provide funds for up to 60% of the total project cost. The City's match will come from a small amount of cash and volunteer labor. Additionally, the \$1,000 grant the Woodburn Together approved for the Wyffels Playground project will hopefully be rolled over to this project. Rosetta will contact Woodburn Together to find out.

### 6. NEW BUSINESS

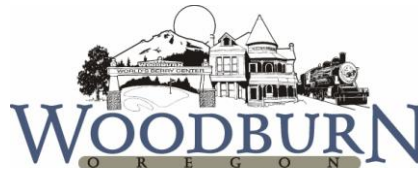

#### Budget Update

Jim discussed the City's budget difficulties and the significant mid-year actions that have been taken in order to preserve the City's overall financial health. Among other things, the reductions will involve reduced Library hours, and city-wide layoffs. Changes will involve Paulette being relocated to City Hall's front counter. She will continue to perform many functions for Community Services, but will no longer be able to staff Park Board meetings or prepare minutes. As a result, the minutes will be completed in a more condensed manner.
